

BULLDOG®

HYDRAULICS & GASKETS

PROVIDING SEALING SOLUTIONS WORLDWIDE!

Certified System
ISO 9001

Bulldog® Hydraulics & Gaskets, originally founded in 1956, has earned a worldwide reputation for excellent product quality, friendly customer service, and distinguished technical support.

We provide hydraulic, transmission and engine gasket sealing products to a worldwide customer base. We have a multi-million dollar inventory and extensive kit building capabilities that service hydraulic cylinder, transmission and engine rebuild markets in over 60 countries.

Gasket coverage includes engine & transmission gaskets and gasket kits for use on most of the popular Caterpillar® engines and transmissions. Hydraulic coverage includes seals and seal kits for use on many makes of off-road heavy equipment.

Bulldog® Hydraulics & Gaskets stocking distributors are located in many major cities in North America, South America, Europe, Africa, Asia, and the Pacific Rim.

We welcome new distributor inquiries.
